REMARKS

Defense advised Defendant wishes to admit violations #1, 2, 4, and 5. Court colloquy with Defendant, who admits to violations #1, 2, 4 and 5. The Court finds the Defendant's admissions to be knowing, voluntary and intelligent. The Court had previously dismissed Violation #3 as duplicative.

USA does not oppose Defendant's release to treatment, if arranged.

Defense is working on finding Defendant in-patient treatment but does not have anything in place at this time.

The Court ordered:

1. USA's Motion for Detention is granted; subject to right to return before the Court should circumstances change.
2. The Court finds that there is sufficient evidence to believe that a violation has been committed and there are no combination of conditions to assure the Defendant's appearance as required or conditions to ensure that defendant is not a danger to the community.
3. The Court ordered that Defendant's release previously ordered by this Court shall be revoked.
4. Defendant shall be detained by the U.S. Marshal until further order of the Court.
